

WE DISCOVER, WE GROW

Girlguiding

Moray

ANNUAL REPORT

2019

FROM OUR PRESIDENT

The introduction of the new programme has involved extra training for all Guiders, Advisers and Commissioners. They must be congratulated and thanked for the continued care and guidance they offer to the girls.

A fresh idea for the County Camp, a CSI theme, proved very successful as was the Brownie Fun Day in May at Inchberry. I would like to thank all who were involved in their organisation. Several Guides and leaders enjoyed an International Camp in Switzerland in July.

It was with great sadness that we learned of the tragic death of Katrina Smith after a car accident in April. We are hugely indebted to her commitment to the Guide Association for 58 years in many roles, as a leader, keen camper, County Adviser, Division Commissioner, Assistant County Commissioner, an active member of the Trefoil Guild and a Vice President. She received a Good Service Award in 2002 and a Long Service Award in 2011. In addition, she organised the 200 Club, ran the County Depot and supervised the running of the Guide Hut in Lossiemouth. She was a truly dedicated member who is greatly missed by us all.

Hilda MacKessack-Leitch. DL.

FROM THE COUNTY COMMISSIONER

One of the most amazing things about Girlguiding is how through friendship, support and resilience we are able to support one another. This was clearly evident earlier this year after the sudden loss of Katrina Smith one of Girlguiding Moray's most prominent members. We, her Guiding family, supported each other through a difficult time, picked ourselves up and carried on.

It is this friendship and camaraderie that makes our organisation work. It is through fun and adventure that we empower girls to use their voice, inspire them to discover the best in themselves and make a positive difference in their community.

In Moray we have 874 active girls, in 67 busy units run by 218 dedicated volunteers. All of these units enable girls to; learn new skills, explore exciting activities, build friendships and relationships, have fun, develop their sense of belonging and have lots of adventures along the way.

We have said goodbye to volunteers who through the years have made a difference to the lives of the young girls who have been fortunate to benefit from their enthusiasm and dedication. We have also welcomed new volunteers and look forward to seeing them fulfil their potential and that of others.

This year's report has certainly allowed Girlguiding Moray its members and units to showcase their achievements and show off the best of what Girlguiding has to offer. On a poignant day in May, Inchberry was the location of our fantastic Brownie Fun Day. 186 Brownies participated in crafts and activities based around the months of the year. What fun we had making bagpipes and slime, planting flowers and so much more. Our thanks go to all involved in making the day so special. We kept calm and carried on Guiding. We hope Katrina would have been proud.

Units across the county have enthusiastically embraced the new programme. There have been Skills Builders and Unit Meeting Activities (UMAs) a plenty in all age groups. We continue to take part in adventures near and far with pack holidays, days out and camps in Fyvie, Dalguise, Edinburgh, Kyle, Holland and Switzerland. Twenty three of our Guides have completed the Baden Powell Challenge Award. We congratulate them on their achievements. Our Ranger units continue to thrive; we now have four very active units. Many girls are also Young Leaders within other sections. Across Girlguiding Moray eight Rangers are involved in the Duke of Edinburgh Awards Scheme. Leaders too have enhanced their Guiding; they have attended Girlguiding Scotland roadshows and a variety of training events. Emily joined the World Scout Jamboree in America as a member of the International Service Team. It doesn't stop there; Moray Trefoil Guilds have been as busy as ever and have supported the County in many ways whilst organising their own amazing events for its members. The formation of the new 18-30 group will give leaders in training and younger volunteers the opportunity to meet outwith their weekly meeting and to share time together.

Over the next few months working on the Girlguiding Scotland Strategic Plan 2019-2021 we aim to get everyone in Moray working to make sure we support our growth plan so that all girls can access our units and by increasing the number of adults who volunteer with us. We will continue to offer great Guiding experiences that encourage girls and volunteers to stay in Guiding; we will make sure we welcome and support our new volunteers and let's make sure those who have been volunteers with us continue to feel valued for all that they do. September sees Scotland launch Girlguiding's volunteer recruitment phase, so let's get our recruitment drive going this month and actively get out there on our recruitment days, showcase our events and activities and show people what we do and let's get everyone to recruit one new volunteer. What an impact this will have on our County so get out and shout about Girlguiding - with your support we can make it happen, we can make a difference.

Thank you all for your hard work and continued commitment to Girlguiding Moray and for making the magic happen.

Alison Williams

*"Together we can empower and inspire the next generation and work to create a brighter fairer future for girls".
Moira McKenna, Chief Commissioner.*

2nd Lossiemouth Rainbows

The 2nd Lossiemouth Rainbows have made a variety of crafts over the year including tie dying a bag, time machines, puppets and entered crafts from reused computer parts into Lossiemouth Flower Show. We have enjoyed activities from the Seahorse Challenge, Network Stage 1, Innovate Stage 1, as well as the Thinking Day Leadership badge. We have celebrated Pot of Gold Parties with a Rainbow colour theme, a Unicorn theme and a tent-tastic night. We had a fantastic time on the County pantomime trip too. Unfortunately, we said goodbye to LIT Jackie Bury as her daughter moves onto Brownies and Parent Helper Megan Lee as they head back to USA. Also we will miss Zoe Walker as she goes on maternity leave.

2nd Lossiemouth Brownies

The 2nd Lossiemouth Brownies have made a variety of crafts this year including bird feeders, sock snowmen, time machines and edible architecture. We entered miniature gardens into Lossiemouth Flower Show and enjoyed our Promise ceremony on top of the sand dunes at Lossiemouth East Beach. We completed several interest badges as a unit; Road Safety, Seasons, Brownie Traditions, Network Stage 2, Innovate Stage 2 as well as the Thinking Day Leadership Badge. We have enjoyed visits by a local cheerleader and Captain Emma from Easyjet as well as from some furry friends; kittens and rabbits. We had a fantastic time at the County Fun Day and on the County pantomime trip too. We said goodbye to LIT Ailsa Morris as she headed South to Aviemore and we will miss Zoe Walker as she goes on maternity leave.

4th Lossiemouth Guides

What a busy year for 4th Lossiemouth Guides. We camped in September at Roseisle Hall. We walked to Burghead, visited the well and had a local history talk by Dan Ralph. In November, we took part in the Remembrance Parade and also in a special Remembrance event in the Town Hall marking 100 years since the end of WW1. Dressed in old style uniforms the girls gave a talk about the contribution Girl Guides made to the war effort. The old uniforms were a big hit. We celebrated Hallowe'en and Bonfire Night and had a Christmas Mulled Wine and Mince Pie evening where the Guides showed off their musical talents. We also completed the Water Safety badge. In the New Year, we started the new programme and have been working on the Be Well Theme. The girls especially enjoyed the First Aid training. In February, we had a Pamper Sleepover and did some baking. At Easter, we had an egg competition and were very impressed by the creative talents of our girls. We are continuing to work on the Be Well theme. We had a visit to the aqua run in Elgin; tie dyed some t-shirts and pillow cases and had a water fight. Two of our girls went to Switzerland with the 1st Forres Guides and took part in many challenges including walking, white water rafting and meeting up with other Guides and Scouts at the International Evenings.

1st Burghead Rainbows

1st Burghead Rainbows have worked hard all year, learning lots of new skills through craft activities. Their main focus has been to earn badges. They most enjoyed carrying out their Innovate Stage 1 badge. Lots of the Rainbows love the new programme and have completed interest badges. They get to show off their hard work at meetings to the other Rainbows.

1st Burghead Brownies

1st Burghead Brownies had a fantastic year. We managed to squeeze in lots of badges with outside helpers coming to do our First Aid, Water Safety and Fire Safety badges. We also had a fantastic time at the panto at Christmas. 1st Burghead Brownies and Rainbows enjoyed a disco for their end of term party this year.

1st Hopeman Rainbows

This year 1st Hopeman Rainbows have started the new programme and have had lots of outdoor activities. We ended the term with a visit to Pets at Home and our annual BBQ with the Hopeman Brownies and Guides.

1st Hopeman Guides

The girls have spent this year getting used to the new programme. The community has been the main focus of their programme: making mini Christmas cakes for the over 60's, entertaining the senior citizens on Burns Night, serving at the Bowling Club Summer Ball and helping with the Hopeman Gala. Just a few of the things they have taken part in.

1st Duffus Rainbows

In September, we said goodbye to three girls moving up to Brownies and welcomed three new girls to our unit. In October, we planted bulbs in our Rainbow garden and they looked beautiful in the spring. In November, we created our own poppies using red handprints and crumpled black tissue paper. They were used to decorate Hopeman Memorial Hall for the annual Remembrance Day Service where our Rainbows joined other Rainbows, Brownies, Guides, Beavers, Cubs and Scouts.

In December, the Rainbows went to Eden Court with other Moray Guiding members to see the

pantomime 'Jack and the Beanstalk' - lots of very excited girls.

In January, Duffus Rainbows started the new Rainbow Programme. A highlight was taking part in a "Rainbow Sleepover" (pretend) in the Duffus Village Hall for an hour and a half. The girls wore their pyjamas, slippers and dressing gowns/onesies and brought along sleeping bags, pop up tents and torches to add to the authenticity of the evening. The girls participated in yoga, learnt a bedtime lullaby, had a bedtime story and hot chocolate and then it was time to go home to their own beds. A second highlight was taking part in a 'Digital Detox' activity with their family. The girls were encouraged to try to spend a whole day, if possible, with their family, without using any digital devices, including; TV, tablets, handheld consoles and mobile phones. Some of the activities they did included playing board games with their friends and family, making gifts, baking, trying new sports, reading, visiting new places, going to the beach. Their families then sent a photo to share with the other Rainbows. This was very successful and all the girls achieved this challenge. A number of families said they might try to continue it on a monthly basis. In February, the girls met other Rainbows, Brownies, Guides, Beavers, Cubs and Scouts for a Thinking Day Service at Hopeman Church of Scotland. The Rainbows created and sang their own Duffus Rainbow song which had the theme of 'togetherness'. In the

summer term the girls were given the challenge of changing their Rainbow garden in the grounds of Duffus Church. The girls collected and brought in stones from home and painted and decorated them to represent flowers, bees, ladybirds and butterflies. The Rainbows are delighted with their transformed garden and the lovely thing about this type of garden is it won't need watered and so should always look bright and colourful.

1st Hopeman Brownies

1st Hopeman Brownies have had a busy year getting to grips with the new Brownie programme. We have completed a Skills Builder and are working towards the 'Know Myself' Theme Award. As part of this the girls have been working on their Local History interest badge and we had a very interesting tour by a local expert of some of Hopeman's historical places of interest including the ice house, old train station and the famous black sheddie. We also made mackerel pâté and much to the girls surprise most of them loved it.

The girls have really embraced their new Rainbow programme and were delighted to receive three badges for achieving their 'Be Well' Theme Award. This resulted from completing their 'Healthy Mind' Interest badge, 'Feel Good' Stage 1 Skills Builder and 3 hours of related Unit Meeting Activities. It has been a busy but rewarding year for Duffus Rainbows and we are looking forward to the year ahead.

1st Keith Rainbows

1st Keith Rainbows have had another fun filled year. We held our annual sleepover in September, this year we had a travel theme with girls completing games, crafts and activities from the countries of each of the World Centres. We attended panto which got us all into the Christmas spirit.

Our first Skills Builder badges were completed with girls choosing to do the pink communicate theme first. We also made time for some crafty and messy extras.

In June, we were lucky enough to have a visit from Mary and her hearing dog Scott, and learned about how he helps Mary both in the house and outside. During question time the girls were keen to know how much Scott loves treats and they were able to give him a cuddle before he left. It's been another great year and we're looking forward to starting again after the summer holidays.

4th Keith Brownies

What a busy year 4th Keith Brownies have had. We switched to the new programme in September and the girls are enjoying the new activities. We had a fantastic dinosaur themed pack holiday at Cullen over the May Day weekend.

Elgin Landward District

We have had an amazing year with all at Elgin Landward we cannot thank the amazing leaders enough for organising exciting and fun activities. Each and every leader in our team have been fantastic, working in amazing teams to support and have great fun for over 130 girls in the District. Thank you for all your hard work - it really is appreciated. A massive thank you goes to the very lovely Trefoil Guild for always coming to support all our events and joining in the fun.

A wee shout out to our amazing Rangers and Young Leaders who help out all our units on a weekly basis as well as helping on our fun-days and evenings. They do a fantastic job helping and supporting girls of all ages with all activities.

Remembrance Sunday 2018 - We had a great turn out for Elgin's Remembrance Sunday. Thank you to all girls who turned out in full uniform, wearing poppies and were on their very best behaviour showing respect to those we lost. It was a proud moment stepping back seeing all the girls standing in their uniform.

Pyjama Sunday Fun Day - All sections got together and organised a Pyjama Sunday Fun Day

for over 90 girls. It was a fun filled day with designing our own life sized pyjamas, decorating a pillow case, having story and quiet time with Emma as well as decorating biscuits to eat with milk. We all got together and had a huge picnic in our pyjamas for lunch. We also had a special guest Jo - YAYoga who came and did lots of different yoga activities where all ages got involved. We then all played bingo where amazing prizes were donated by the lovely "Tesco Tracy". Tracy also brought along some fresh fruit for the girls to have as a snack. Just before home time, we squeezed in some dancing and singing. All the girls had an amazing time and our leadership team was definitely ready for bed at the end of the day.

World Thinking Day 2019 - We had our annual World Thinking Day evening at Elgin High School where over 100 girls from all sections came to enjoy fun activities. We made our own cup and ball, bean bags, played lots of games with hula hoops, giant skipping ropes along with making s'mores. We all enjoyed mixing with different units and sections, coming together and renewing our promises and having a wee sing song. We were very lucky to have lots of new members making their promise on this special evening. All of the girls left with a massive smile (covered in chocolate) from their s'mores that they had made throughout the evening.

We cannot wait to do some more amazing activities in the next few months including some fundraising to give our girls some more fun days and evenings.

1st New Elgin Rainbows

We have had a fantastic year with a very settled group of girls who have had great fun together. Rainbow assistant Claire and her daughter Eve, who is a Brownie, have brought us some fab craft ideas and some great games.

Our young leader, Erika, left us to go to university to become a music teacher and we heard she had become 'student of the year' we were very proud.

We had two new helpers, Katie and Jaedyn who are Guides. They are great fun and the girls are enjoying having them with us.

We have worked on some of the new badges and the girls have also completed some at home.

Landward had a pyjama Sunday Fun Day and it was a great success, the girls had so much fun that they were disappointed when it ended.

We had a good time outside as well as inside, the girls found a tree that was just right for climbing.

The panto was loved by everyone and our end of year visit to the beach was such fun, lots of sandcastles, paddling and splashing and marshmallows to eat.

I will miss the girls and all the great times we have had together.

2nd New Elgin Rainbows

2nd New Elgin Rainbows re-formed in October 2018 at Greenwards Primary. What a first nine months it's been. We have 10 amazing rainbows that have joined us between October and April. We seem to have crammed in a lot so far and it has been a huge and exciting learning curve for Hannah, the girls, and I.

We've done lots of arts and crafts, love playing games and have trying new things. We have had a couple of trips out and about too. We took part in our first Landward District gathering, Pyjama Sunday Fun Day, had our first panto trip and took part in World Thinking Day. Phew, and that wasn't even a full year, what will this year bring for 2nd New Elgin Rainbows...

5th New Elgin Brownies

We have had a busy year with the welcome addition of David to our unit. He brought lots of fun, Pokemon knowledge and he participated even when we had dressing up at Hallowe'en, he was a mad scientist which is appropriate considering he's going off to train as a science teacher.

We also welcomed Vicky as a new volunteer and she is going to continue on with the unit as she completes her training and becomes the unit guider along with Doreen who I couldn't have run the unit without. She's fantastic.

During the last year we have dipped our toes into the new badges whilst still working on the old ones. One of these was World Issues, we had the idea of having a swap or donate box. The girls set about decorating cardboard boxes to hold unwanted toys that could then be 'swapped' or 'donated' to charity.

We loved mixing, cooking and eating our own pancakes, acting out short plays, crafting and visiting the local park.

The panto was a great hit and we got very excited as our Grace was invited on to stage.

We had a fantastic time at the Landward Thinking Day celebration and also at the Pyjama Sunday Fun Day.

It all got a bit emotional when David and I finished, but the girls will continue to have an exciting experience with Vicky and Doreen.

3rd New Elgin Brownies

Lots of fun was had by 3rd New Elgin girls this year. We welcomed David as a unit helper and continued with Helen. What would we do without these fantastic people who turn up to help us, week in, week out?

We attended the annual Remembrance Parade in Elgin, Thinking Day, Pyjama Sunday Fun Day.

We loved making face cloth bunnies at Easter as well as dancing at Christmas.

Lori will be returning to become guider in charge, I'm sure that together they will all have a fantastic time, happy guiding girls.

2nd New Elgin Brownies

2nd New Elgin Brownies have had an amazing year completing lots of badges and meeting lots of new people. We have taken so many photos and had so many giggles. Here are some of our favourite things we have done:

Unicorn Summer Party - We had a joint summer party with 1st New Elgin Brownies. We had great fun with an adult bouncy castle from JumpForJoyMoray, made slime, had a photo booth, unicorn glitter tattoos, unicorn themed food as so much more. All girls had a magic time and went home with lots of crafts and a goodie bag.

Twinkle Owl's Promise Festival - To make her promise, Twinkle Owl decided to organise our very own music festival. We had dancing, singing, a photo booth, glitter tattoos, crafts as well as SE productions who came along to perform. We had festival food and all dressed up with our neon colours, glitter, face gems and wellies. We all helped Twinkle Owl make her promise in front of some special guests. We also had a professional photographer who came along to catch all our moments from our very exciting evening.

Green Watch Fire Station Visit - We went to the fire station where we met Green Watch (they told us they are known as the best watch) and had a tour round the fire station. We learnt all about fire safety and the fire engines. We had some very interesting and details questions ready to test them. We then got to go outside and play with the hoses. We had lots of adult helpers who were desperate for a shot of the hose. It was one of the fireman's birthdays, so we decided to let the whole of Elgin know as we sang (very loudly) happy birthday. (His face was very, very red by the time we finished).

Green Watch also came to visit - As part of our themed badge, Green Watch from Elgin Fire Brigade came to visit. For the first half of the night, they told us all about their job and how to stay safe out and about. We then did a fire drill in the rain and got a surprise when the fire engine was sitting there with its lights flashing. Green Watch told us how important it was to do regular fire drills and said we did a good job. The second half of the night, it was our turn to show Green Watch exactly what Brownies do, starting off with a chocolate snack. We then played lots of games and sang some Brownies songs which all the firemen joined in with. We had a fantastic night and can't wait to invite Green Watch back soon.

along with Anderson's home and others who might have been a little lonely over the Christmas period. We got lots of replies and Kath McGrath and team from Anderson's Care Home came in personally to see us with Thank You's from all who live at Anderson's. As Santa was busy, she helped hand out a wee Christmas present to the Brownies as a thank you for all their hard work and effort over the last year.

First Aid - We had a very special visitor Tawny Owl who is a nurse. Tawny Owl came back for 'one night only' where she helped us learn all about the importance of first aid. We practiced and discussed what we would do if we were to come across someone injured. We had a wee shot on 'Wee Annie' learning a little bit of CPR. We then had great fun bandaging up all the Brownies, their parents got a bit of a shock at the end of the night when they all went home wearing bandages, eye patches and slings.

A massive thank you to the Moray County girls who did an amazing job in organising the Brownie Fun Day, all of our Brownies had an amazing time.

We had enjoyed trying out different activities from the new programme and can't wait to get stuck in after summer.

Charity - Over the last year we have tried to help out as many local charities. We collected beauty products for Footprints which were made into mini hampers for raffle prizes by Twinkle Owl, the evening raised over £1300. We also have collected for the food bank and MFR Cash for Kids - Mission Christmas. We also decorated over 100 Christmas Cards - sending them out to the local Police, Ambulance and Fire Services

1st and 2nd New Elgin Guides and Elgin Landward Rangers

This year has been a busy one again for us.

We started off last August with our annual summer camp with Lhanbryde Guides and Rangers at Badaguish. In your Element provided raft building and canoeing activities for us down at Loch Morlich. Then we had a more relaxing day cycling to Glenmore Lodge and back through the forest. The Rangers also helped out with marshalling at the Aviemore Open Water Sprint Triathlon at 7 o'clock on the Sunday morning.

We decided to get right into the new programme and as part of our Express Yourself Skills Builder we used sharpies and surgical spirit to make tie dye drawstring bags to carry our new badge books in. We had a Body Shop party to raise the money for our badge books and more.

Outfit Moray did a couple of sessions for us in October with half of us climbing at RAF Lossiemouth then a taster archery session at their base then swapping the next week. 2nd New Elgin guides also had a fact finding treasure hunt around Lossiemouth.

For Remembrance Day we made felt poppies to wear at the parade. Roy, the school caretaker is a collector of military memorabilia and he brought some of his collection for us to see. It was fascinating.

Although it was cold and a wee bit wet, we took a ghost walk around Elgin. The White Witch brought the stories to life and we learnt lots of new things about where we live.

The Rangers made their promises in December and had a takeaway to celebrate.

We also all attended the pantomime at Eden Court in December.

In January, the District organised a Sunday Fun Day with all the Brownies Guides and Rainbows attending with help from the Rangers.

Thinking Day was another District get together and we used the theme of looking back and tried out some traditional games and made traditional toys.

Four of our girls were working towards their Baden Powell Award and they had a food tasting as part of one of their evening activities. The girls attended their Baden Powell Challenge weekend and had a lot of fun.

Getting wet seems to be a theme and although we tried to do some of the new UMAs at the Linkwood burn - repairing the bottles and the water filtering, some of us got a little wetter than intended.

The girls were presented with their Baden Powell Awards at our annual beach party at Hopeman in June. We are very proud of them and hope that they continue onto Rangers.

We had our second camp in May this year (since the Tartan Gig is when we usually go in August). This time we stayed closer to home, camping at Roseisle and Outfit Moray doing two days of activities for us. The first day we spent climbing at Cumingston and surfing at Lossiemouth with this being taken by Donald from New Wave Surf School. We were lucky to be able to use the showers at the Hopeman pavilion after the surfing. Our second activity was gorge walking up at Bridge of Brown. The first and second groups did it on the Saturday when the river was quite tame, but the rain came overnight, and the river was running faster the next day when the remaining girls took to the water. What a day of fun.

A group of the Rangers decided back in October that they would like to tackle their Bronze Duke of Edinburgh. Much of the time at Rangers has been spent preparing the girls for their expedition, but many of the activities fit into the new Unit Meeting Activities and Skill Builders, so everyone has been joining in.

Finally, our leader Elaine was invited to the Garden Party at Holyrood Palace for her services to Guiding.

1st and 2nd Elgin Rainbows

1st and 2nd Elgin Rainbows started 2018/2019 with a new leadership team as well as a large intake of new girls. The unit has continued to grow since then as we began working on the new programme and learning together what it means to be a Rainbow.

Over the past year the girls have completed two Skill Builders and have been inspired to get stuck in to several interest badges including Booklover, Nature and Fruit and Veg. They have looked after Olivia, taking her to school, sports clubs and on holiday and in May we learnt about Mexico, USA and Canada by taking part in the 'Jamboree in a Bag' activities for the World Scout Jamboree where Olivia spent the summer.

We have also managed to get out of the hall to visit the library and joined the rest of the Rainbows, Brownies, Guides and Rangers in the District Thinking Day event at Pinz in February. To finish off the year we visited the Fairy Village where the girls found gifts left by the fairies. We are looking forward to continuing to grow in 2019/20 completing more badges and getting out and about.

3rd Elgin Rainbows

3rd Elgin Rainbows have had a busy year raising money for much needed funds towards the yearly panto trip and for musical instruments. In December, we held a joint raffle with 2nd Elgin Brownies and managed to raise £355 between the two groups. We also collaborated on a recipe book with 2nd Elgin Brownies and raised £155. We also did a sponsored walk and raised over £350 when we managed to avoid getting soaked. We started the new programme in September 2018 and found new exciting badges to do and learn.

1st Lhanbryde and Urquhart Rainbows

1st Lhanbryde and Urquhart Rainbows have had an amazing year. The group of girls are always willing to give things a go and always up for an adventure.

This year we achieved some great badge work whilst contributing to our local community. Once again, we had some super items of handiwork to put forward to the Lhanbryde and District Gardening Club annual Flower show. This was followed by a visit to Morayvia in Kinloss where the girls had a private tour of the helicopters, planes, fire trucks, and all the other amazing aspects of the museum. This contributed to the girls achieving their Vote 100 badge.

The Remembrance Parade of 11th November in Elgin was well represented by 1st Lhanbryde and Urquhart.

Early 2019, the girls worked on their Beatrix Potter badge and this took us to visit Elgin library for a fun night of Potter treasure Hunt, folding bookmarks and listening to a story.

The girls went on to achieve their Moray Spring and Summer badges with wonderful trips to our local Matheson's farm, where we fed lambs,

tried to count chickens (impossible), got a turn on a tractor to explore the pig farm. We even manage to get a turn in the driver's seat.

A highlight for us was the realisation of our community garden at the entrance to Urquhart. This has been discussed for a wee while and we finally have success. With some handmade wishing wells and recycled cans into flower pots, we asked Threaplains garden centre to help us fill them and they were more than happy to come out and work with the girls to make the garden a beautiful welcome to our village. What fantastic community work by our youngest members.

Our year finished with a unit outing to Roseisle forest with chips from the Ashvale chip shop in Elgin. Yum yum! We had a great night, getting wet in the ocean, decorating stones, toasting marshmallows in the fire pit and playing in the playpark.

What a lot of personal growth and brave steps from all the girls of 1st Lhanbryde and Urquhart Rainbows. Thanks for a great year.

2nd Elgin Brownies

2nd Elgin Brownies reformed in September 2018. Over the last 12 months we have collaborated with 3rd Elgin Rainbows on a Christmas raffle and a recipe book. We also started the new programme. The girls found doing the badges rewarding and hard to choose which one to do first. We went on our very first trip to Eden Court to the Christmas panto. We also took part in the Thinking Day activity at Pinz Bowling. We hope to have many more adventures in the coming months and have a pack sleepover.

1st Lhanbryde and Urquhart Guides

1st Lhanbryde and Urquhart Guides have had another busy year. We have welcomed a number of new faces from Brownies. The girls have enjoyed working on a number of challenge badges and we attended lots of camps and outings on our own as well as with other units. The highlight of the year was May 19 Camp and Innoflate. The girls also attended County Camp 2018. Other outings included trips to Morayvia, Starbucks, Elgin Ghost Tour, Pinz and a local farm. The girls are now looking forward to the Tartan Gig in Glasgow.

3rd New Elgin Guides

As I sat looking back over what 3rd New Elgin Guides have been up to over the past year, I was amazed at how busy we have been and what has been achieved. Our unit continues to be well attended with girls from a variety of local schools. We have been working on the new programme over the past 3 terms and have found some of the activities good fun. The Guides really enjoyed 'testing out tactics' in the Take Action pack and entertained us with a very lively campaign. Within our unit meeting time we have also particularly enjoyed a patrol pudding bake off, Burns Night with our very own Guide piper, a Heroes and Villains Hallowe'en night, a visit from Moray Rugby Club, various evenings organised by our Baden Powell Guides and a fantastic unit sports night.

We have been on several trips including den building and toasting marshmallows at Roseisle beach, the Girlguiding Moray panto and cinema trips, a visit to Elgin Police Station, a District trip to Pinz to celebrate Thinking Day and our all-time favourite this year - a sleepover at Innoflate, Aberdeen with Lhanbryde and Urquhart Guides. This was really amazing and we recommend it to you all. We have also had trips to PGL Dalguise last October and again this summer which was great fun.

We awarded our final four Guides with their Baden Powell Awards during a High School Musical themed night just before the end of term. This part of the old programme will be greatly missed by us as we see the Guides grow so much in their confidence completing the award.

We have supported our local community by once again clearing the leaves at The Oaks on a few occasions and we held a sponsored fitness event during which the Guides raised money for Abbie's Sparkle Foundation, SSPCA, Macmillan and CAMHS. Representatives from each charity attended to accept these donations. We also collected food items and made prize hampers for our hall committee.

We look forward to exploring more of the new programme after the summer break and are very excited to be attending the Tartan Gig.

Many thanks to my unit leader team - couldn't do it without you wonderful people.

1st Lhanbryde and Urquhart Rangers

1st Lhanbryde and Urquhart Rangers is a newly established unit and have had a busy year. The girls have enjoyed working on a number of challenge badges and attended lots of camps and outings on our own and with other units. The highlight of the year for them was attending The Woolly Jumper Camp in April 2019 at Templars' Park in Aberdeen. The other camps they attended include County Camp 2018, May Camp 2019 at Roseisle where they rock climbed, surfed and gorge walked, they were also one of the first units from Moray to Sleepover at Innoflate along with the Guides. The girls also took part in our District Thinking Day event where they joined, Rainbows, Brownies and Guides from Lhanbryde and Elgin at Pinz for bowling and finished off the end of term at scribbles where they all renewed their promise as a Ranger.

1st Cullen Rainbows

What a busy year 1st Cullen Rainbows have had. We have started the new programme trying and enjoying some UMA's and Skills Builders. We have tried our hand at several crafts including making table decorations for our fundraiser and painting ornaments at the pottery shop at Christmas time. We enjoyed baking and learning new things. We had a visit from Pound Fitness which was very noisy and tiring, but the girls loved it. We have had parties for Hallowe'en and Christmas and had fun entertaining the community at our fundraiser. We visited a local farm and saw lots of animals and got out and about as often as possible to enjoy the good weather.

1st Fochabers Rainbows

Our girls have enjoyed an exciting and fun packed year gaining badges in Know Myself, Express Myself and Have Adventures allowing for many of the activities to take place outside - an informative and fun evening at the local fire station, building dens, bug hunting and treasure hunts to name a few.

Some girls were also able to enjoy a wonderful trip to Mary Poppins in Elgin cinema meeting up with other Girlguiding groups.

A trip to Buckie Pottery allowed the girls to express themselves with their unique piece of art, and our recent sleepover in Buckie complete with toasting marshmallows, and making brownies was enjoyed by all.

We celebrated Parliament week with 2nd Fochabers Brownies with games and activities - the girls had great fun pitching some new meeting ideas and voting for their favourite.

The girls have travelled the world during World Thinking Day enjoying some delicious food, had messy, sticky fun making lots of crafts, carrying out exciting experiments, planted seeds and played lots of games.

Most importantly, the girls made new friends, learnt about themselves and the world we live in, whilst having lots of great fun.

2nd and 4th Buckie Rainbows

Both units have had a really enjoyable year working on the new programme. We have managed to complete two Skills Builders and the girls have had fun working on interest badges, the favourites have been: Family Tree, Animal Lover, Storyteller, Drawing, Fruit and Veg, and Nature. The girls also enjoyed making dens and working on their Camper Theme Award this last term.

We have also had lots of activities with food - cake decorating, making edible gardens, pancakes along with all the parties that Rainbows love.

The girls also attended the pantomime in December and had a lovely time; some of our girls also went along to the special showing of Mary Poppins at the Moray Playhouse and loved getting the special badge.

The girls had an end of term Shorts and Shades party which was meant to be at the beach but due to bad weather we had to have an indoor party and BBQ. The girls still had a great time and love getting together with the other units in Buckie.

1st Cullen Brownies

This has been a year of celebration at 1st Cullen Brownies as we celebrated being up and running again for five wonderful years, we had a fabulous tea party with the guides. We also planned and hosted a Macmillan Coffee Evening and raised £840. We have all had great fun learning about the new badges and to top it all off we had a fabulous Brownie Fun Day. Roll on next year's adventures.

2nd Fochabers Brownies

2nd Fochabers Brownies have been busy doing challenge badges including Aim High, Future Girl and The Parliament badge. We visited the WDC centre to learn about the resident dolphins and adopted one called Kesslet. We helped out at the cycle race and were given a £100 donation. We started the new programme in January and have gained our First Aid badge stage 2. We have completed various Skills Builders across the programme and lots of Uma's. We ended our year with a trip to The Trampoline Park, Inverurie.

We have also had fun making structures from marshmallows and spaghetti and designing equipment for the future. We have had lots of parties with food (what Brownie doesn't love a party), trips out to the local park, penny walks, and a trip to the local ice-cream shop. We are now looking forward to the new programme when we are back to Brownies in August.

1st Buckie Rainbows

1st Buckie Rainbows have had a busy year. We started working on the new programme which the girls have enjoyed. We have completed Healthy Minds and Express Myself and are currently working on Have Adventures. The girls have enjoyed making an indoor tent out of old sheets and mats. We had a joint Christmas party with the other two Rainbow units. We have also managed a few nights out at Pot of Lynn to play races and play with the parachute. A few of the girls attended Eden Court at Christmas time with our county annual trip which was enjoyed by all. We ended the year with a joint BBQ with the two other Rainbow units. Due to the weather we had to have this in the hall.

1st Cullen Guides

It's been another busy year for Cullen Guides. The session started with County Camp and later in the term a Baden Powell presentation with a bouncy castle. We visited Buckie Pottery and made cute highland cows from a ball of clay. We had a trip to the panto, entertained with the Brownies at the Cullen Christmas lights switch on and our Christmas bowling and McDonald's to end the year.

At our meeting place we tried new crafts, badge work and international activities led by our BP girls. The New Year saw us phase in the new programme. Highlights so far have been mixology and baking using an incorrect recipe. Drama and baking are always popular with our Guides. In February, along with the Brownies, we were invited to entertain the Cullen Pensioners and discovered a wealth of talents within our unit.

We have camped at Dalguise, experiencing lots of new outdoor activities, walked to Portknockie for chips and ended the year with an indoor/outdoor barbecue.

5th Buckie Brownies

In August, we started by doing the Number Fun badge as a pack and we had very interesting bedroom designs.

We held a Hallowe'en party, and we made Hallowe'en chocolate lollies and had fun playing games.

The girls designed Pudsey t-shirts with fabric paints for Children in Need.

We did Christmas craft and gifts for them to take home. We had our Christmas party and Santa came to visit with his bag of gifts and the girls sang to him.

We celebrated Burns Night with Scottish food, dancing and games and the girls wore something Scottish.

For Thinking Day each Six found out information about a country and Brownies in that country. They brought food in to do with that country and we all had banquet of different foods.

We started the new programme and some girls have received badges for Mindfulness, Dancing and Grow Your Own.

We finished in the beginning of July with our trip to Landmark Adventure Park and had a super day doing all the activities.

WE DISCOVER, WE GROW
Girlguiding

Buckie and Seafeld District

1st Buckie Guides

The Guides have been very busy enjoying the new programme and have been working on various Skills Builders and loving the new interest badges, their favourites have been: Vlogging, Campaigning, Personal Brand, Photography and of course Mixology and Confectionery.

We have also had lots of other fun activities including Chinese New Year crafts, Guides Showstopper Challenge decorating cakes, annual visit to Buckie panto, meal out at the Coach House, visit to Buckie Pottery, quizzes, indoor and outdoor camps, and Natalie had a fantastic trip to Switzerland with 1st Forres Guides. The girls also had a trip to Buckie Lifeboat Station to present a cheque for the money they had raised whilst working on their Campaigning badge. All in all a fun filled year.

1st Forres Guides

Our year began with lots of new girls joining and expanding our busy unit to 28 girls and over the coming year we now have 35 Guides regularly attending every Wednesday.

Going Away with the girls featured highly in our year with our Alice in Wonderland unit camp, followed by a Crime Scene Investigates-Moray themed county camp; Polar Express themed Christmas weekend. In May a four day camp 'Surf's Up' allowed the girls to spend the day surfing at Sand End.

The year-end saw some of the Guides travel to Switzerland for a 13-day international expedition of adventure and fun. The girls had an amazing time achieving things beyond their wildest dreams. Highlights of their programme were climbing, hiking, swimming at the thermal pools, tobogganing and a visit to 'Our Chalet'. Participating in a UNESCO service project to help the local community clear rocks from the mountain valley, they worked hard and received the Patrimonto Scout Award for their part in helping to preserve the local culture and heritage for future generations.

We ended the year finishing off old badges and implementing the new programme. The girls actively participated in Unit Meeting Activities and Skills Builders; ranging from discovering their genetic make-up to campfire playlist and team builder. Seven girls have completed their

Baden Powell Awards. They completed the challenge by teaching the other girls how to make sushi and having a 4th of July American themed international evening with campfire, s'mores and sparklers. Well done girls, what a great achievement. Hope you are looking forward to moving onto Rangers.

5th Forres Brownies

What a fantastic year 5th Forres Brownies have had. We have had parties for Hallowe'en and were invited to a Mad Hatters Tea Party by 2nd Kinloss Brownies. We went to the pantomime at Eden Court Theatre with Girlguiding Moray and had a terrific day at the Brodie Castle Playful Garden where we met Brodie the giant rabbit. What a great time we had at the Brownie Fun Day at Inchberry, thanks to all the organisers. We worked on the Dancer, Home Skills and Hobbies badges.

We had to say goodbye to Brown Owl at the end of the summer term and wish her well in the future.

1st Forres Brownies

1st Kinloss Guides

1st Kinloss have had another busy and enjoyable year. We have worked on badges and Go for It's from both the old and new programmes including: Communicator and World Culture badges, Camp and Network Skills Builders. We had a lovely walk to Kinloss Abbey to learn a bit about its history. We had great fun at our Hallowe'en and Christmas parties and enjoyed using our creative skills during our craft evenings. We had a lot of fun during our Burns Supper evening eating haggis, neeps and tatties and trying our hand at reading some of Burn's poetry. We had a book themed evening where we all came to Guides dressed as their favourite book character. We held a World Thinking Day sleepover at Roseisle Hall where we worked for and gained our World Thinking Day badge, what fun we had making life size time machines. We worked towards our Network and Camp stage 4 Skills Builders during the summer term. We particularly enjoyed the campfire playlist activity, learning new campfire songs. We finished for the summer with a cook out at Roseisle Forest where the girls cooked sausage pasta whilst completing their campfire feast activity.

2nd Forres Brownies

Several girls attended the Ballroom Blitz weekend in Blackpool in September sleeping on the floor of the Tower Ballroom. They visited the Tower Circus, Madame Tussaud's, Sea Life Centre and a Strictly Come Dancing session. They re-lived their experiences by giving an entertaining illustrated talk at the Moray Guiding Annual Event attended by the Scottish Chief Commissioner.

Also, in September, they had a lovely and sticky evening sweet making, although very few sweets made it home. This year the girls decided to organise the Hallowe'en party themselves and between September and late October spent a lot of time fine tuning their plans. The event, when it finally came off, was good fun and showed the girls how much planning goes into successful events.

In November, the unit completed the Book Lover badge. Forres Library gave generously of their time, teaching the girls about reference libraries and how, with patience, they could find answers to just about anything. During the last weekend of the month, the girls were involved in our traditional Christmas craft weekend, held in the Lossie Guide Hut, making and decorating Christmas cakes, gifts, cards and decorations.

In December, we completed our last badge from the old programme exploring the international side of Guiding while completing the World Culture badge. The term finished with the Girlguiding Moray annual trip to the pantomime which everyone thoroughly enjoyed.

In January, we embarked on the new programme and completed Network and Camp Skills Builders during the spring and summer terms. In addition, February was a very foodie month with two trips to the Oakwood Cookery School to make chocolate cakes and strawberry popping tarts and, of course, we had pancakes on Pancake Day too.

In March, the girls made cards and gifts for Mother's Day and Hunted for eggs left by the Easter Bunny.

May we spent on camp activities for the new badge and, during the last weekend of the month the girls enjoyed camp itself. A great time was had gathering wood/making woodpiles, innovating to cook in orange skins and other unusual containers, looking after open fires and of course, snuggling down in your tent with some special friends and giggling until you fell asleep.

In June, the unit spent an evening at Hopeman beach with the Whale and Dolphin Conservation Society cleaning the beach and learning about all the ways they can help the ocean environment. Another visit, requested by the girls, was a return to the Oakwood, this time for unicorn cupcakes.

The girls have formed a penfriends group with Coddington Brownies in the Midlands with whom they have already exchanged letters, postcards and gifts.

We ended the term with a sausage sizzle at Brodie Castle where the Brownies met their new leaders and had great fun playing games on the campsite.

1st Forres Rainbows

1st Forres Rainbows started this year with an almost entirely new group, with only two of the older members not moving on. We've had a great time getting to know each other and learning about Rainbows and Girlguiding for the first term. We had a mass promise ceremony, with the two girls from the old group electing to renew their promise with the rest of the group. With all the parents and extended family there it was a lovely way to start their Guiding journey.

After the promise ceremony, we worked on our level one Express Myself and Have Adventures Skills Builders. As well as our normal badge work, last term a real polar explorer came in to show the girls his tent and explorer's kit as well as some photos of his adventures. In preparation for his visit, we made penguin biscuits and kitchenless fudge, told stories that helped us to think about how we can look after the wildlife around us and played games dressing up for different types of weather. The girls also made tents, either side of a 'river' and had fun communicating across it.

2nd Kinloss Brownies

2nd Kinloss Brownies have had another fun-filled year. We have worked from both the new and old programmes and during the year have completed lots of badges including: Brownie Skills, Gardening, Craft, First Aid Stage 2 and Camp Stage 2 Skills Builders.

We made our own candles and decorated candle holders, did some gardening and learnt about the different Girlguiding organisations from all around the world. We had lots of fun at our Hallowe'en and Christmas parties and crafts evenings. We celebrated Burns Night in January and held our very own Burns Supper. During our book theme evening, we were able to dress up

as our favorite book characters and had some fun and games. At our World Thinking Day celebrations we made time machines and earned ourselves the World Thinking Day badge. We invited 5th Forres Brownies to our Mad Hatters Tea Party where we had a fancy dress competition, Mad Hatter Tea Party Games and made our very own mocktails. To end our winter term, we enjoyed a windy evening at Brodie Castle campsite making s'mores over the campfire. During the summer term, we worked towards the Camp stage 2 and Communicate Stage 2 Skills Builders. We had a fantastic promise party with a unicorn theme; we even made our own unicorns. We had a fantastic time at the Brownie Fun Day at Inchberry and had a really good time at Brodie Castle and its playful garden.

2nd Forres Rainbows

2nd Forres Guides

This year has been another busy one for 2nd Forres Guides, we have looked at some of the new programme and as an intro we tried the Mixology badge during a 1920s themed evening which included learning the Charleston. We made Rice Krispie pumpkins and did some face painting for Hallowe'en. We had a wartime Guiding themed indoor camp at Edinkillie at Christmas. We went to Edinburgh in February for Wander the World. Emma and Amie made their promises as Young Leaders outside the Scottish Parliament building. We had an evening kayaking at Blairs Loch and a Hunger Games themed day out at Roseisle. We had several cookouts and a fantastic trip to PGL Dalguise.

Maxine and Janet have now 'retired' from Guiding and the girls threw a fantastic leaving party for them on the last night of term.

Celebrating their third birthday this year with a Peter Rabbit themed party, 2nd Forres Rainbows continues to thrive.

An exciting Christmas themed day had the Rainbows making and baking lots of lovely Christmas treats. They attended the Girlguiding Moray trip to see Jack and the Beanstalk at Eden Court Theatre, a first for some, they had a great time cheering the goodies and booing the baddie!

The Rainbows became "planet protectors" when we did a beach clean, we looked at how we can help keep our beaches free from plastics and rubbish. The Spey Bay Dolphin Centre explained what the impact the rubbish on our beaches has on local wildlife.

We have embraced the new programme with gusto and the Rainbows have had a ball doing the Skills Builders and Unit Meeting Activities. They have had adventures, used their imagination and found out about the world around them. They made maps, developed their self-confidence through storytelling, learnt about the local environment and made puppets all to achieve Express Myself and Have Adventures theme Skills Builder awards. Friendship and fun has really shone through our Rainbow programme. The girls show such enthusiasm each week enjoying the start of their Guiding journey.

The Rangers have been busy coming to terms with the change in their name. The older members have now moved on to the 18-30 group with some undertaking their Adult Leader Qualifications.

The girls have undertaken several Unit Meeting Activities and Skills Builders from the new programme. Activities ranging from mealtime mission to mixology. Going on the ghost train at Dufftown, an evening at Oakwood cookery school and campfire cooking at the beach are amongst the highlights of their year.

Several of the Rangers also attended an expedition to the Kandersteg International Scout Centre, Switzerland where they undertook the Gold Hutten Award hiking to four Alpine huts. They went white water rafting, participated in a snow and ice workshop and visited 'Our Chalet'.

The girls also participated in a United Nations Educational, Scientific and Cultural Organisation (UNESCO) project clearing away the aftermath of an avalanche. This project aims to support the local farming community by removing rocks and debris from the valley and thus preserving the local culture and heritage of the surrounding environment. This earned them a Scout World Award as heritage guardians. This was an amazing experience for all the girls who were exceptional ambassadors for not only Forres and Moray but Girlguiding Scotland.

Thank you to all the amazing leaders who plan and organise these activities every week, allowing these young women to achieve, explore and experience adventure in a safe environment where they can develop and grow into exceptional individuals.

With the excitement of the 75th celebrations behind us you may have expected the guilds to have opted for a quieter life. This was not the case. All have enjoyed a mixture of community involvement, crafts, education and exercise accompanied by fellowship and fun.

Buckie and District got hands on making pottery and knitting twiddle muffs for Alzheimers patients. They also exercised the grey cells by delving into local history. They also enjoyed a walk from Spey Bay to Garmouth and a visit to the new Macallan Distillery. Fundraising as always played its part.

Forres expanded their historical knowledge with a visit to the new V&A museum in Dundee. They made inroads into their own personal histories by studying genealogy. A 90th birthday party and a get together with Gordon and Keith guilds in the Forres Tolbooth fostered fellowship and strengthened previously made friendships.

Keith and District travelled to Deeside to see Ballater Station and Balmoral Castle. The Gordon Castle's head gardener proved to be an excellent speaker as did the gentleman talking

about St Thomas's Church. The Guild was fortunate to receive monies from a wind farm fund to buy projection equipment and a laptop which future speakers can use. This can also be shared with like-minded groups.

Moray members enjoyed some virtual travel going to Nepal through a presentation given by Rotarian George Duthie. Following a talk by the Fochabers Folk Museum they were inspired to visit Clochan to see the monument honouring our wartime Landgirls. They also took a trip on the Keith to Dufftown railway.

All continue to serve the Guiding community with assistance at events such as Thinking Day celebrations, camps and holidays as well as activity days. These bring great enjoyment to members and will no doubt feature in next year's programme when we embark on the Trefoil Guild's Star Award which is being unveiled in stages over the coming months.

LONG SERVICE AWARDS

5 Years

Sheelagh Smith 4th Lossiemouth Guides
